AVERAGE CITY GIRL UNFIT FOR FUTURE RESPONSIBILITIES

Beatrice Forbes-Robertson Hale Says They Are Encouraged to Think More of Gayety Than of Duties---Her Ideas of American Husbands and What Women Want

onship that was drawn by Beatrice Forbes-Robertson Hale s she sat in the living room of ne at Forest Hills Gardens upon some phases of the movement, that being the of her recent book, a volume Women Want." The most of suffragists, barring extremcould hardly find fault with is propositions laid down in al order, nor could any but the onservative of "antis," Both however, may feel, here and re the impact of a decided jolt to generally accepted.

may be mentioned in passing that ent is the daughter of lan Roband niece of the actor manager merly played. Four years ago ried Swinburne Hale, a New awyer, and gave up the stage. en she has lectured in twentythe poets and modern politons. Her lecture manager ient soul, but at times he tears because after he has planned m that she won't stay away usband, her babies and her hat point she is adamant.

scarcely more than a girl Mrs gnized the cnward sweep of many countries regarding a comrade, with man in and responsibilities of life fects which would result From that time she has dealings with women.

who really loves a man is not content merely to receive love and protection average man is a romanticist who refers him, giving him a mother's love as well as a wife's. This attitude always exists in the heart of tade always exists take taken to members only the beauty of the past.

If do not think the suffrage movement which they do not understant to a question of taken the always exists in the heart of tade always exists the suffrage movement which they do not understant to a question of taken y be atrophied by the artificial
